

WEEKLY COMMUNICATIONS

APRIL 22, 2022

1

COVID UPDATE

- Last week, the state announced that for the 2022-23 school year, students and staff will not be required to be vaccinated against COVID-19 to enroll in school or work in a TK-12 setting.
- As of right now, for the 2022-23 school year, unvaccinated or unverified staff and volunteers will need to continue to test weekly for COVID-19.
- RCSD continues to encourage all individuals to take measures to minimize the spread of COVID-19 and stay home when not feeling well. RCSD will continue to monitor protocols and guidance throughout the coming months for any additional changes.

2

COMMUNITY RESOURCE FAIR

- The Placer County Office of Education is offering a free Community Resource Fair for parents/guardians of individuals with disabilities across our region on April 28 from 5:30 - 7:30 pm at the Seavey Center (655 Menlo Drive, Rocklin). Representatives from local organizations that support individuals with disabilities and their families will be available to share resources and answer your questions. There will be information available on summer camps, respite services, adult social events, job training opportunities, and more!

LAST CALL REMINDER

- RCSD is well into planning for the needs of our students for next year. If you have a student enrolled this year that is planning to be back next year and you haven't yet re-registered them we strongly urge you to go [online](#) and complete it now! On the other hand, if your student is not planning to return please contact your current school site and let them know so we can mark them down as not returning.
