RFP # 19-901

Deadline for Submittal of Proposals
January 22, 2019
2:00 p.m. (PST)

Question and Answer #1
Posted January 9, 2019 @ 4:00 p.m. PST

Question 1:

You have a part J9546 (4) in your RFP. This product was EoS 12/31/2018

Please substitute part number J9546A with part number J9995A v3 zl2 Module. A new bidsheet version was released at the time of this response.

Question 2:

In your BOM Summary you have a 3810M switch but NO power supply for this switch. They are purchased separately. What model PS do you need: JL083A=250W // JL086A=680W // JL087A=1050W?

This switch will be used as a link aggregator and will not be providing POE power. Please include 2 Qty of JL085A Aruba X371 12VDC 250W 100-240VAC Power Supply. A new bidsheet version was released at the time of this response.

Question 3:

The 3810M switch is NOT listed in the site breakouts. What location should this switch reside in?

This switch will should be included in the District Office portion of the bidsheet. A new bidsheet version was released at the time of this response.
